

Scholarship Fund

The CWU Scholarship Fund was established to assist CWU members who wish to undertake further or higher educational opportunities, and who face barriers in doing so.

The fund has supported CWU members on a variety of courses including degrees, diplomas, certificates and MAs, and has contributed to the costs of tuition fees, resources and living costs for students.

All applications are submitted to the Policy, Education and Training Committee of the Union and are considered on the basis of the following criteria:

- The value of the educational programme to the individual
- The barriers faced by the individual
- The value of the educational programme to the labour movement
- The support of the applicant's Branch

For an **application form**

Please submit your application form by e-mail to **tlavelle@cwu.org**

Or post to:
